# Dear Diary,

June 11, 1955

I guess this is the last entry. Graduation is over and the class of '55 is going its separate ways. Thumbing back through the pages of the five years that I've kept my diary, many things stand out.

Remember Falls Church High, and the long hikes down to Hillwood Square? Gosh, we were all excited about changing classes, going to football games, and seeing our own class on the 8th grade football team. Then we ended the year with a dance, the very first we had given.

Flipping further through the pages, I see the words "pickle factory." Good *old* Jefferson! The 9th grade had arrived! We were Freshmen! There was Mr. Greene and his blackboard. Remember those names and all those checks and the daily "rehabilitation hall"? Miss Knox was our Principal. Our class had a knack for "explosions," fire extinguishers and radiators in particular. Jackie Dietz and Judy Fruland represented us on the first annual Sweetheart Court at Madison. We worked on the "*Garnet and Gold Glitter*," our junior high newspaper. School dances were held at Madison, and we danced to the music of the "Faculty 5." Remember the Mustangs' undefeated season of touch football? At JV basketball games, the cheerleaders were all 9th graders, two of whom were Ann Albaugh and Donna Hinshaw. We also saw Ralph Havens in his first year of basketball, on the JV team. Smitty and Tasker represented our class on the varsity basketball team.

George Mason Junior-Senior High School—that was the name they gave to our brand new school. We were sophomores now, and "the honeymoon was over." From our class, Gail Hodges was secretary and Judy Fruland, treasurer of the Student Council. English classes were held, in of all places, the boys' Exam Room and the present Teacher's Room. In "phys ed" something new had been added—Tumbling. "Squash" was the cry as bones squeaked, creaked and crunched.

GM's first play, *Our Town*, was presented to a delighted audience. The Class of '55 was well-represented in the cast by Dick Fisher, Theda Fulton, Ann Billingsly, Carolyn Yates, and Margaret Tabor.

In all sports, we showed our skill. On the football team were Havens, Smith, and Tasker. Havens, Smith, Tasker and Berger were on the basketball team when GM won the District Tournament in our own gym. We went to the State Tournament at Lexington. Baseball and track claimed Havens and Tasker. The girls looked good, too, with Fruland, Atkins, and Hodges playing basketball and softball. As the year ended, we looked forward to being Juniors, and putting on the prom.

September, 1953, and we were Juniors! Real work began. We were raising money for the Prom like mad. Remember selling hot dogs and cokes at the "Birthdayrama," so we could afford to give the Seniors the "best Prom ever." Mr. "De" and Mr. Sniegoski were our long-suffering sponsors. "You can't get blood out of a turnip" will always be remembered by students of Mr. Harmon. Our beautiful class rings arrived and were we proud! The Dramatics Club presented *The Hasty Heart* and Dick Fisher from our class received the "Best Actor" award at the Drama Festival at Charlottesville. Who can forget all the work and fun that went into "The Blossomtime Follies?" Our sports leaders showed their "dramatic (?) ability" with John, Ralph and Judy Fruland taking leading parts. Remember "Clem & Pansy," "Hambone," "Rastus," Doris Hawes' pantomime and the Yog's rendition of "Dem Bones" with Don Jones at the piano? The Prom was a tremendous success. Even the Seniors were astonished at the way we changed the gym into a New York penthouse! Havens set a new record for the 880 at the State Tournament at Charlottesville.

Our football team with the help of Breit, McQuary, Tasker, Harrison, Feagin and Jones won the District G Group III title. In basketball Ebert, Tasker, Berger, Breit and Havens upheld the honor of the Class of '55 as the team went to the District tournament. Atkins, Hodges, Koontz, McGillis and Fruland played on the girls basketball team. We came in third at the District Tournament, and Judy Fruland was named the "outstanding player."

Exams came and went, making us seniors! Hooray ! !

Our Senior year and what a year! We gave the Homecoming Dance and Lydia Munson, captain of the cheerleaders, made a beautiful queen. Our poor sponsors, Mr. Snodgrass and Mr. "De," really had a hassle on their hands getting all 57 of us to decide on one kind of graduation announcement. Our basketball team won the District Tournament at Ashland. They went to the State Tournament at Blacksburg and placed second. We saw a lot of Virginia that season between Ashland and Blacksburg.

Jo Watkins reigned at the 1955 Sweetheart Dance with Donna Hinshaw as her attendant. Our thanks to the Juniors for making our last Sweetheart Dance so beautiful. Donna then was crowned as Queen of the Cherry Blossom Dance, which was, put on in honor of the Seniors by the Freshman class. The "This is Your Strife" presentation for class night was our next project. At Class Night we realized that we were really leaving, as we handed the Juniors a lighted candle, symbolic of the Senior Class spirit and leadership. We were measured for caps and gowns and graduation rehearsals began. Some of us wondered if we really wanted to leave.

The Prom was beautiful, just as we had expected it would be. Then exams were all over, parties were frequent, good-byes and good luck from all our teachers, and finally Graduation!

It has been lots of work and more fun! Our thanks to the faculty for their help, we'll miss them and all the kids. We've received a lot from George Mason in these four years, and in return we hope we've left something to make it a better place for the kids that will follow us.

So diary, I guess that's the story of the Class of '55. From FCHS to Jefferson to George Mason—well, world, here we come!
